

[Intro]

Bm D G

[Verse]

Bm **D**
In your eyes, there's a heavy blue
G
One to love, and one to lose
Bm **D**
Sweet divine, a heavy truth
G
Water or wine, don't make me choose

[Pre-Chorus]

Bm **D** **G** **A**
I wanna feel the way that we did that summer night, night
Bm **D** **G**
Drunk on a feeling, alone with the stars in the sky

[Chorus]

G
I've been running through the jungle
A
I've been running with the wolves
Bm **A**
To get to you, to get to you
G
I've been down the darkest alleys
A
Saw the dark side of the moon
Bm **D**
To get to you, to get to you
G
I've looked for love in every stranger
A
Took too much to ease the anger
Bm **A**
All for you, yeah, all for you
G
I've been running through the jungle
A
I've been crying with the wolves
Bm
To get to you, to get to you

[New Section. What Should We Call It?]

G A Bm D
To get to you
G A Bm D
To get to you, to get to you

[Verse]

Bm D
Your fingertips trace my skin
G
To places I have never been
Bm D
Blindly, I am following
G
Break down these walls and come on in

[Pre-Chorus]

Bm D G A
I wanna feel the way that we did that summer night, night
Bm D G
Drunk on a feeling, alone with the stars in the sky

[Chorus]
