

[Intro]

Dm F C Gm

[Verse]

Dm F
I let it fall, my heart
C Gm
And as it fell, you rose to claim it
Dm F/A
It was dark and I was over
C
Until you kissed my lips and you saved me
Dm F
My hands, they're strong
C Gm
but my knees were far too weak
Dm F/A
To stand in your arms
C
without falling to your feet

[Prechorus]

Bb Gm
But there's a side to you that I never knew, never knew
Dm
All the things you'd say, they were never true, never true
Bb C
And the games you'd play, you would always win, always win

[Chorus]

Dm
But I set fire to the rain
C
Watched it pour as I touched your face
Gm
Well, it burned while I cried
Dm C
'Cause I heard it screaming out your name, your name

[Verse]

Dm F
When I lay with you
C Gm
I could stay there, close my eyes
Dm F/A
feel you here forever
C
You and me together, nothing is better

[Prechorus]

'Cause there's a side to you that I never knew, never knew
All the things you'd say, they were never true, never true
And the games you'd play, you would always win, always win

[Chorus]

But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name
I set fire to the rain
And I threw us into the flames
Well, I felt something die
'Cause I knew that that was the last time, the last time

[Bridge]

Sometimes I wake up by the door
And heard you calling, must be waiting for you
Even now when we're already over
I can't help myself from looking for you

[Chorus]

I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name

Dm
I set fire to the rain
C
And I threw us into the flames
Gm
Well, I felt something die
Dm **C**
'Cause I knew that that was the last time, the last time

[Outro]
Dm **C**
Oooh, oh no, oh
Gm **Dm** **C**
