

RIM 3450: Proficiency no. 8

Song Reharmonization. Reharmonize the first verse, prechorus, and chorus for the song “When I Was Your Man” by Bruno Mars, which is provided on D2L with the click and vocal only. You can record a video of yourself playing along with the file posted to D2L on keyboard or guitar, OR you can import the file and sequence an arrangement.

You should use at least **ONE new mixture** chords and at least **ONE new secondary dominant chord** (which should resolve in a typical way). The original song is in C major. Along with your video or audio file, **upload a Nashville number chart that shows your reharmonization.**
